

RC SPAR

PRODUCT FEATURES

- Diamond blade guarantees **unbeatable abrasion resistance**, thereby improving the effectiveness of cleaning and **considerably reducing wear** of blade.
- Flexible joint, a combination of rubber and aluminium, guarantees **optimum contact** with the belt.
- Aluminium body gives it **lightweight, rugged and durable**.

THE INNOVATIVE SCRAPER SYSTEM

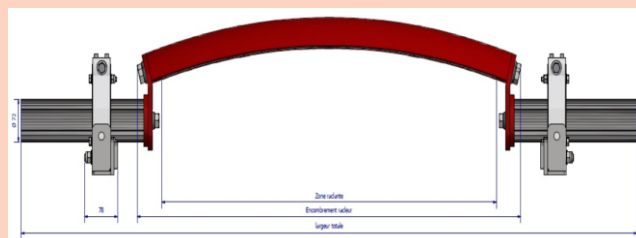

- **Performance** : optimum cleaning
- **Innovation** : automatic tension
- **Quality** : compact and lightweight

The curve of the scraper provides **higher pressure and better scraping** on the centre of the belt, where residues are concentrated.

RC SPAR is available in several versions :

- RC SPAR carbide
- RC SPAR diamond
- RC SPAR vibrating

RC SPAR is available for 5 belt widths (500 - 650 - 800 - 1000 - 1200).
